Enthusiastic and hardworking learner. I am open to criticism and have a keen interest in learning, with a strong desire to advance career with a growth-oriented company and my experience in handling and serving family-owned business has enabled me to be a proactive, a problem solver, a good communicator and an independent thinker. With a hobby of reading philosophical texts and books, I want to challenge my understanding of writings. In short, I am reliable, hard-working with strong attention to detail and eager to learn.
